

(1) Dental Air Compressor : GA550-1

Air Compressor GA550-1 * Specifications :

Item No.	GP002-52
Model	GA550-1
Power	550W
Supply Voltage & Frequency	110V±10%, 220V±10%, 50 – 60 HZ.
Air container volume	25L
Continuous Operating Time	≤4 H
Air production capacity	40L/min
Starting pressure	0MPa
On / Off Pressure	0.50 / 0.80 Mpa
Safety Valve Operating Pressure	0.80 Mpa
Max Air Flow	115L / Min
Noise	55 dB
Max Current	2.5A
Packing Dimension	440x440x600mm

Feature : 1. mini air compressor , 2. anti-corrosive treatment for interior chamber wall ,
3. Super silent , 4. Multi-phase filter , 5. Portable

(2) Dental Air Compressor : GA750-2 :

Dental Compressor GA750-2 * Specifications :

Item No.	GP002-53
Model	GA750-2
Power	750W
Supply Voltage & Frequency	110V±10%, 220V±10%, 50 – 60 HZ.
Air container volume	38L
Continuous Operating Time	≤4 H
Air production capacity	50L/min
Starting pressure	0MPa
On / Off Pressure	0.50 / 0.80 Mpa
Safety Valve Operating Pressure	0.80 Mpa
Max Air Flow	152L / Min
Noise	55 dB
Max Current	3.4A
Packing Dimension	440x440x690mm , G.W. 32 Kgs

Feature : 1. mini air compressor , 2. anti-corrosive treatment for interior chamber wall ,
3. Super silent , 4. Multi-phase filter , 5. Portable

Anti-corrosive treatment for interior chamber wall

Characteristic

1. Oil free: Do not need any lubricated oil, and harmless to the human body.
2. Super silent: Noise level lower than 70dB(a) to reduce noise pollution.
3. Multi-phase filtration: Advanced multi-phase filtration to ensure extremely clean air, and lengthen service life.
4. Safety using: Air compressor motors equipped with thermal prevention device to avoid overheating and protect motors.
5. Clean tank: All air receiver tanks have internal epoxy coating applied to avoid corrosion.
6. Automatic adjustment: High quality pressure switch used to control the power of air compressor automatically by adjustment of pressure level.
7. Pressure adjustment: Working pressure could be adjusted to meet the demand of different supporting equipments.
8. High durability: Serviceable time exceeds 15, 000 hours.
9. Simple operation: Using directly when connecting with power.
10. Easy maintenance: No need any lubricated oil.

CE and FDA Approved Dental air compressor
